In January 1997, I founded what is now the law firm of All Family Law Group, P.A. We are experienced and responsive Tampa Bay attorneys concentrating in the areas of divorce, family law, child custody/visitation/support, stepparent and relative adoptions, name changes, criminal defense and consumer bankruptcy. We can help you with most of your legal needs. Our objective is to provide professional and informed representation in the most expeditious and economical manner possible in consideration of each client's circumstances. Amicable settlement is our ultimate goal, if it is possible, to avoid the financial and emotional cost of litigation. However, if litigation is necessary, then we have the trial experience you need to aggressively pursue and obtain your best result.

The issues that affect your family matter to us. Being sensitive to the emotional nature of the issues you face allows us to empathize with your situation so that we can offer an effective solution in your best interests. Understanding that each client's case is unique, we offer services tailored to your individual situation and circumstances. By working closely with you, we promise to make your important matters our priority.

To find out more about how we can assist you, contact our law firm for a free initial consultation to discuss your situation and the options available.

Call our office at 813.672.1900 or email us at [info@familymaritallaw.com](mailto:info@familymaritallaw.com) to schedule a free consultation to discuss your situation. We are happy to help!
