Right Lawyers is an award winning divorce and custody law firm. With two offices in Las Vegas, NV and Henderson, NV, and four divorce attorneys.

Not every case needs a divorce attorney. At least not any more than every tax filing needs a tax accountant. Some issues are small, and you can do it yourself. Some divorces are simple and easy. Others are too big and too nasty to tackle without a good divorce lawyer. That is when you need the expertise, and guidance of Right Lawyers.
